Rock Legends

Soft Rock - During the 1960s, rock n roll splintered into a rainbow of genres - musicians were experimenting. Soft rock began as a blend of the progressive rock quest for musicianship and the songwriter's love of pop. It originated in the late 1960s in Southern California and the United Kingdom. The style relied on simple, melodic songs with big, lush productions. This new genre established bands such as Supertramp, ELO & Barclay James Harvest.

Rock Legends

Women Who Rock - Women have sung on jazz, pop and soul tracks since the 1930s, but when it came to rock, however, there were few women in the 1950s who wrote and performed their own songs. In the 60s, artists such as Grace Slick and Janis Joplin were fronting A-list bands. All-female garage bands, such as The Runaways and Fanny, achieved limited success. As rock developed in the late 60s and 70s alongside the women's liberation movement, women refused to be just the pretty singer or the manufactured glam groups. This episode features bands such as Heart, Suzie Quatro and The Bangles.

Rock Legends

Alt Rock - With The Smashing Pumpkins, Jane's Addiction, and Soundgarden. Emerging from the independent music underground of the 1970s, Alt Rock became widely popular in the 1980s. The music was unified by collective debt to the musical style and/or the independent, DIY ethos of punk rock, which laid the groundwork for alternative music. Throughout the 1980s, magazines, college radio airplay, and word of mouth had increased the prominence and highlighted the diversity of alternative rock. With the breakthrough of Nirvana, grunge and Britpop movements in the 1990s, it entered the mainstream.
