*New Wave* - With The B-52's, Devo, and The Pretenders. New Wave is a form of rock music encompassing numerous pop-oriented music styles rooted in mid-1970s punk rock. Its engendered subgenres and fusions, and displays characteristics common to pop music rather than the more "artsy" post-punk. Incorporating the original punk rock sound and ethos, it also exhibits greater complexity in both music and lyrics, with the use of synthesizers and electronic productions, and a distinctive visual style featured in music videos and fashion.

*Soft Rock* - During the 1960s, rock n roll splintered into a rainbow of genres - musicians were experimenting. Soft rock began as a blend of the progressive rock quest for musicianship and the songwriter's love of pop. It originated in the late 1960s in Southern California and the United Kingdom. The style relied on simple, melodic songs with big, lush productions. This new genre established bands such as Supertramp, ELO & Barclay James Harvest.

*Progressive Rock* - By the dawn of the seventies, progressive rock freed bands of the limitations of four-minute songs, allowing musicians to evolve a single track over a whole side of vinyl, draw on classical sources and create music in more complex, time signatures. Moog Synthesizers were portable and affordable, allowing bands to create orchestral effects. Such devices added a spectrum of new sounds and possibilities for musicians. This new world brought artists such as Rush, Yes & Atomic Rooster into the mainstream.
