Rock Legends

The Byrds - The Byrds pioneered folk-rock, combining traditional acoustic music with early Sixties pop. The group's signature sunny melodies, lush harmonies, and ringing 12-string guitars - as well as their eventual exploration of psychedelic rock - made for some of the decade's best singles. The band continued to do strong work (including foray into country), establishing a sonic model for many of the Seventies biggest rock bands, including the Eagles, Tom Petty, and the latter-day Fleetwood Mac.

Women Who Rock - Women have sung on jazz, pop and soul tracks since the 1930s, but when it came to rock, however, there were few women in the 1950s who wrote and performed their own songs. In the 60s, artists such as Grace Slick and Janis Joplin were fronting A-list bands. All-female garage bands, such as The Runaways and Fanny, achieved limited success. As rock developed in the late 60s and 70s alongside the women's liberation movement, women refused to be just the pretty singer or the manufactured glam groups. This episode features bands such as Heart, Suzie Quatro and The Bangles.
